ActiveYards®
Fencing solutions for life™

Why ActiveYards®

We are the leading American manufacturer of low maintenance, lifetime warranted fencing systems. We believe there is no reason to sacrifice performance, beauty and style for function or price.

Solutions

It all starts with providing you a solution for your fencing need or desire. This is exactly where you will start your shopping process with ActiveYards; by selecting a solution among our Privacy, Protection, Pool or Decorative options.

Shop - Select - Install

We offer the freedom of choice from how you can shop for your fencing solution to the actual installation. After you choose the style that best serves your need, we provide a series of quality grades and designs to select from. And finally, you decide which installation option best suits your project and budget.

Fencing solutions for life.

Whatever you decide, we will help you every step of the way. The result of the choices you make will provide you with YOUR "fencing solution for life"!

Solutions

ActiveYards® is here to help! Whatever problem you're trying to solve, we have an entire solution for you and a fence to match. Whether you are seeking privacy for or from your environment, seeking protection for your prized possessions, completing the final touch around your pool, or you're just looking to add a decorative curb appeal to enhance the value of your home, ActiveYards has your solution.

Pools

Pools are for relaxation, not worry. ActiveYards panels meet stringent pool safety codes. We want to keep you and your family safe and still stylish. Pool safety is a must, and safety can be synonymous with style when it comes to ActiveYards' pool code approved fences.

Series	Features				
	Widths	Heights	Locking Pickets	Picket Size	Rail Size
HAVEN SERIES	8'	4' - 6'	Corigin™	¾"	1 ½" x 1 ½"
HOME SERIES	6'	3' - 6'	Corigin™	⅝"	1" x 1"
HARBOR SERIES	6'	4' and 4 ½'	Locking Strip	⅝"	1" x 1"

*All panels not available in all series, colors and sizes.
Harbor Series only available in select markets.

Select panel and gate sizes have a flush bottom drop rail.
A good rule of thumb for pool safe fencing is to have rails be a minimum of 48" apart. A dropped bottom rail allows us to offer pool safe options with a shorter and more cost effective fence.

SOLARGUARD™

Color that Lasts

The color and look of your fence should compliment the natural beauty of the landscape that you've worked so hard to achieve. In order to maintain that beauty, every fence we make is infused with our exclusive SolarGuard color retention technology, which helps protect it from the harmful rays of the sun.

GLIDELOCK™

Privacy & Strength

Our patent-pending GlideLock design makes sure that each picket locks tightly into place without any gaps. Not only does this provide added seclusion and privacy for your yard, it also helps your fence hold up better against wind and other elements that can potentially damage it. With ActiveYards® fences, strength and security are all in the design.

CORIGIN™

Corigin

By using an innovative construction system called Corigin, which connects the pickets and rails from the inside out and fortifies the core, we are able to produce fences that are built to last longer and perform better than other fencing options. This smart design also removes the need for screws, which can become rusty and loose over time.

CAMBIUM™

Natural Beauty

The problem with traditional wood fencing has always been that it requires continued maintenance to keep from warping, cracking and fading. Our Cambium technology gives you all of the natural looking beauty of real wood without the need for continued upkeep and maintenance. And since all of our Cambium fencing solutions come with a transferable Limited Lifetime Warranty, you'll never have to worry about expensive repairs. It really is the best of both worlds!
